Third Party Fun Raising

CapitalCare Foundation

*How can you raise
money to help our
Seniors in Care?*

Your **fun raising** will help our seniors receive the extra things that brighten their day!

What is a Fun Raiser?

Have fun! Raise some funds!

For example, you could hold a get together for friends and family to celebrate a birthday or anniversary. With that event identify a seniors' residence to support, asking your guests to donate to your charity of choice in lieu of gifts.

We can help

CapitalCare Foundation can help you with the invitations, CapitalCare logo if needed, banners and some suggestions to help with your event.

Once the event is over and you have completed your financial report, all you need to do is to bring the donations and the report to the CapitalCare Foundation and you will receive tax receipts if needed and complete your donation.

As easy as pie!

1. Decide what kind of fundraiser you want to hold and how will you raise the funds.
2. Complete the application form and return to us or email the completed application.
3. Once the CapitalCare Foundation has received your application, they will get back to you shortly following their approval process, and now you can plan your event.
4. After your event, please make sure that the funds and donation tracking forms are balanced and that all funds have been received. Submit these to Leah Sarango, Special Event Coordinator for the Foundation at 780.448.2424 leah.sarango@capitalcare.net.

Leah can also help you with any questions you may have.

More help

There are other ways that the Foundation can help you with your fun raiser. We can provide you with some of the media contacts, tax receipts or letters that you may need, as well as some CapitalCare signage to help identify your cause.

Enjoy your event and bring some extra joy into a senior's day!
